Design Flooring

GreenTec:

The new naturalness

With Design Flooring GreenTec you can combine comfort and functionality in the most beautiful way.

Holds up to everyday life

The robust, waterproof and stain-resistant surface withstands the stresses and strains of everyday life, while the integrated cork underlay reliably absorbs impact sound. Thanks to the water-resistant coreboard, the GreenTec Board, our Design Flooring is also suitable for bathrooms and commercial spaces.

Beautiful look

The exterior is in no way inferior to the inner values: The authentic wood or stone look makes our Design Flooring GreenTec a natural eye-catcher in every room.

Decor: Natural Almington Oak | EPD041

Decor: Anthracite Jura Slate | EPD045

Good reasons!

Decor: Cream Tessina Ceramic | EPD044

There are many convincing arguments in favour of Design Flooring GreenTec. One of them is that we give a 25-year guarantee on its quality for use in residential areas.

Robust & resistant to micro-scratches

Due to its innovative wear layer, our Design Flooring GreenTec is durable, resistant to micro-scratches and stains as well as easy to clean.

Up to 72 hours water-resistant

Thanks to the special product structure with water-resistant surface, the GreenTec Board coreboard and the flexible installation system CLIC *it!*, everything rolls off our Design Flooring GreenTec.

Sustainably produced

Our Design Flooring GreenTec is completely free of PVC. Its wood comes 100 % from regional, certified forestry. The integrated sound barrier mat is made of recycled cork.

Flexible installation

With the CLIC *it!* installation system and the integrated sound barrier mat, the flooring can be installed quickly and flexibly. Also on tiles. It can also be dismantled without any problems.

Always the right decor

With our decor selection you will find the right design for every room.

Perfectly put together

Thought through layer by layer: The special product structure makes our Design Flooring GreenTec a real all-rounder.

- 1** Hard wearing and water-resistant wear layer.
- 2** Authentic decor layer.
- 3** GreenTec Board, also suitable for bathroom and commercial applications.
- 4** Integrated, sound absorbing cork underlay.
